A corrigendum on

Psychometric properties of the arabic version of the problem areas in diabetes scale in primary care

by Sayed Ahmed, H. A., Mohamed, S. F., Elotla, S. F., Mostafa, M., Shah, J., and Fouad, A. M. (2022). *Front. Public Health* 10:843164. doi: 10.3389/fpubh.2022.843164

In the published article, there was an error in the article title. Instead of “**Psychometric Properties of the Arabic Version of the Problem Areas in Diabetes Scale in Primary Care,**” it should be “**Psychometric Properties of the Arabic Version of the Problem Areas in Diabetes Scale in Primary Care.**”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
