reliability, validity, stigma, drug user, family, substance use disorder

A corrigendum on

Assessment of psychometric properties of the self-stigma inventory for Iranian families of persons who use drugs

by Dinmohammadi, M., Jalali, A., and Naderipour, A. (2022). *Front. Public Health* 10:1017273.
doi: 10.3389/fpubh.2022.1017273

In the original article, there was an error in affiliation [3]. Instead of “Department of Emergency Medicine, Faculty of Paramedical, University of Medical Sciences, Kermanshah, Iran,” it should be “Department of Emergency Medicine, Faculty of Paramedics, Kermanshah University of Medical Sciences, Kermanshah, Iran.”

In the original article, Arsalan Naderipour’s name was spelt incorrectly in the metadata. Instead of “Arsalan Naderipor” it should be, “Arsalan Naderipour.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
