## KEYWORDS

disseminated tuberculosis, tuberculosis, delayed diagnosis, hard-to-reach populations, clinical presentation

## A corrigendum on

[Disseminated tuberculosis and diagnosis delay during the COVID-19 era in a Western European country: a case series analysis](#)

by Roure, S., Vallès, X., Sopena, N., Benítez, R. M., Reynaga, E. A., Bracke, C., Loste, C., Mateu, L., Antuori, A., Baena, T., Portela, G., Lluscà, J., Flamarich, C., Soldevila, L., Tenesa, M., Pérez, R., Plasencia, E., Bechini, J., Pedro-Botet, M. L., Clotet, B., and Vilaplana, C. (2023). *Front. Public Health*. 11:1175482. doi: 10.3389/fpubh.2023.1175482

In the published article, there was an error in affiliation of “Adrián Antuori”. Instead of “Equip Atenció Primària Sant Roc, Institut Català de la Salut, Badalona, Spain”, it should be “Microbiology Department, Northern Metropolitan Clinical Laboratory, Hospital Germans Trias i Pujol, Badalona, Spain”.

In the published article, an author name was incorrectly written as Adrià Antuori. The correct spelling is Adrián Antuori.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
