Corrigendum: Construction of smart older adults care service model driven by primary health care

Lechuan Zhang¹ and Xiaoyan Xu^{2*}

¹Shanghai Lixin University of Accounting and Finance, Shanghai, China, ²Shanghai Institute of Technology, Shanghai, China

KEYWORDS

smart senior care service model, traditional older adults care service model, public health, primary medical and health care, pension service quality

A corrigendum on

[Construction of smart older adults care service model driven by primary health care](#)

by Zhang, L., and Xu, X. (2023). *Front. Public Health*. 11:1157758.
doi: 10.3389/fpubh.2023.1157758

In the published article, there was an error in affiliation(s) [1]. Instead of “Shanghai Lixin Institute of Accounting and Finance, Shanghai, China,” it should be “Shanghai Lixin University of Accounting and Finance, Shanghai, China.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
