KEYWORDS

opioid agonist therapies, methadone, buprenorphine, stress, COVID-19, Ukraine

A corrigendum on

High perceived stress in patients on opioid agonist therapies during rapid transitional response to the COVID-19 pandemic in Ukraine

by Galvez, S. J., Altice, F. L., Meteliuk, A., Ivasiy, R., Machavariani, E., Farnum, S. O., Fomenko, T., Islam, Z., and Madden, L. M. (2023). *Front. Public Health* 11:1231581. doi: 10.3389/fpubh.2023.1231581

In the published article, there was an error in the affiliations.

Instead of “³Alliance for Public Health of Ukraine, Kyiv, Ukraine

⁴APT Foundation, New Haven, CT, United States”,

it should be “³APT Foundation, New Haven, CT, United States

⁴Alliance for Public Health of Ukraine, Kyiv, Ukraine”.

In the published article, there was an error regarding the affiliations for Lynn M. Madden.

As well as having affiliation ³APT Foundation, New Haven, CT, United States, they should also have ¹Yale School of Medicine, Section of Infectious Diseases, New Haven, CT, United States.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
