A Corrigendum on

Prevalence and determinants of health literacy among the adult population of Qatar

by Ahmed, S., Kehyayan, V., Abdou, M., and Bougmiza, I. (2023). *Front. Public Health* 11:1278614. doi: 10.3389/fpubh.2023.1278614

In the published article, there was an error in the Funding statement. It originally stated “The author(s) declare financial support was received for the research, authorship, and/or publication of this article. This study was funded by the Hamad Medical corporation. Open Access funding is provided by the Hamad Medical corporation.”

The correct Funding statement appears below:

Funding

The author(s) declare financial support was received for the research, authorship, and/or publication of this article. This study was funded by the Medical Research Center (MRC) at Hamad Medical corporation. Open Access publication fees funding is provided by the Medical Research Center at Hamad Medical corporation.

In the published article, there was an error in the Acknowledgments statement.

It previously stated:

“The authors would like to thank the Community Medicine Department and the Primary Health Care Corporation (PHCC) for their support in conducting this research. The authors would also like to thank the Academic Health System at Hamad Medical Corporation for their help in publishing this research through the agreement of Open Access funding provided by the Qatar National Library.”

The corrected statement appears below:

Acknowledgments

The authors would like to thank the Community Medicine Department and the Primary Health Care Corporation (PHCC) for their support in conducting this research. The authors would also like to thank the Medical Research Center at Hamad Medical Corporation for their help in publishing this research article.

The authors apologize for this error and state that this does not change the scientific conclusions

of the article in any way. The original article has been updated.
