## KEYWORDS

gestational diabetes, pregnancy, glycemic management, behavioral decision making, health behavior, social support

## An Erratum on

[The mediating effect of e-health literacy on social support and behavioral decision-making on glycemic management in pregnant women with gestational diabetes: a cross-sectional study](#)

by Yumei, P., Huiying, K., Liqin, S., Xiaoshan, Z., Meijing, Z., Yaping, X., and Huifen, Z. (2024).  
*Front. Public Health* 12:1416620. doi: 10.3389/fpubh.2024.1416620

Due to a production error, the first two authors Peng Yumei and Ke Huiying were not shown to share first authorship.

A correction was made to the author list to signify this, and the following note was inserted:

“These authors share first authorship.”

The publisher apologizes for this mistake. The original version of this article has been updated.
