## KEYWORDS

postpartum depression, China, cultural factor, family relationship, depression

## A Corrigendum on

## Non-biological factors associated with postpartum depression among women in Shenzhen: a case-control study

by He, J., Li, Y., Chen, L., and Zhang, Y. (2024). *Front. Public Health*. 12:1417861. doi: 10.3389/fpubh.2024.1417861

In the published article, there was an error in the order of the affiliations. “Second Clinical College, Guangzhou University of Chinese Medicine, Guangzhou, China” should be listed first for author Jiangshan He.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
