goal orientation, professionalism, health services research, ethnography, social law, interprofessional collaboration

## A Corrigendum on

**On the development of a professional mandate by social workers in medical rehabilitation- key results from the SWIMMER project**

By Knoop T, Freymüller N, Dettmers S, Meyer-Feil T (2024). *Front. Rehabil. Sci.* 5:1383995. doi:10.3389/fre.2024.1383995

## Error in the Article Title

In the published article, there was an error in the article title. Instead of “One the development of a professional mandate by social workers in medical rehabilitation- key results from the SWIMMER Project”, it should be “On the development of a professional mandate by social workers in medical rehabilitation- key results from the SWIMMER Project”.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
