Erratum: Human Movement  
Representation on Multivariate Time  
Series for Recognition of Professional  
Gestures and Forecasting  
Their Trajectories.  
*Front. Robot. AI* 7:639181.  
doi: 10.3389/frobt.2020.639181

Due to a production error, several words were incorrectly capitalized throughout the text. These have now been correctly capitalized.

In **Equations 17–20**, there were several instances where the authors mistakenly switched the positive and negative signs.

In the **Statistical Significance and Simulation of the Models** section, subsection **Recognition Accuracy and Comparison and End-to-End Deep Learning Architectures**, paragraph 12, the authors accidentally missed the addition of a footnote. The following footnote has been added for UCF-101: <https://www.crcv.ucf.edu/data/UCF101.php>.

In **Table 7**, “Kingma and Ba (2014)” should be replaced with “Tran et al. (2015).” Following that, “Tran et al. (2015)” should be replaced with “Compété et al. (2019).”

In the legend for **Figure 6**, a sentence has been added to clarify that this is based on “ $G_{2,4}$ ” where 2 & 4 are pointers.

In the **Statistical Significance and Simulation of the Models** section, subsection **Forecasting Ability for Motion Trajectories**, paragraph 2, The final two mentions of “ $G_{2,1}$ ” have been corrected to “ $G_{2,4}$ .”

The publisher and authors apologize for these errors. The original version of this article has been updated.
