cells

A Corrigendum on

[Thalassaemia, biobanking infrastructures, and personalized stem cell
therapies in Chennai](#)

by Panwar, A. (2023). *Front. Sociol.* 8:1057220. doi: 10.3389/fsoc.2023.1057220

In the published article, there was an error in the Funding statement. The Funding statement displayed did not acknowledge UKRI/NERC funding during preparation of the article. The correct statement is “The author also acknowledges support from the NERC grant (NE/T013230/1) during preparation of this article.” The correct Funding statement appears below.

Funding

The research for this article was funded by the Graduate Institute Excellence Scholarship. Fieldwork for this research was supported by the Sylff Association, Tokyo Foundation for Policy Research and Professor Aditya Bharadwaj’s European Research Council Project (grant number: 313769) “Red Revolution: The Emergence of Stem Cell Biotechnologies in India” (2013–2018), based at the Graduate Institute of International and Development Studies (IHEID) in Geneva. The author also acknowledges support from the NERC grant (NE/T013230/1) during preparation of this article.

The author apologizes for this error and states that this does not change the scientific conclusions of the article in any way. The original article has been updated.
