An Erratum on

Commentary: Rehabilitation: a key service, yet highly underused, in the management of young patients with sickle cell disease after stroke in DR of Congo

by Kossi, O. (2024). *Front. Stroke* 3:1230339. doi: 10.3389/fstro.2024.1230339

Due to an editorial error, this article was published with the wrong article type. The article type should be **General Commentary** and the title was updated accordingly to “*Commentary: Rehabilitation: a key service, yet highly underused, in the management of young patients with sickle cell disease after stroke in DR of Congo.*” The publisher apologizes for this mistake. The original article has been updated.
