A Retraction of the Perspective Article

Engaging the citizen in the circular economy: Transcending the passive consumer role

by Milios, L. (2022). *Front. Sustain.* 3:980047. doi: 10.3389/frsus.2022.980047

The journal retracts the 17 August 2022 article cited above.

A complaint was filed to our office stating that parts of the article cited above had been copied without permission from third-party sources. An investigation, conducted in accordance with Frontiers policies, confirmed the statement of complaint. The article is therefore retracted.

This retraction was approved by the Chief Editors of Frontiers in Sustainability and the Chief Executive Editor of Frontiers. The author agrees with this retraction.
