A Corrigendum on

Keeping Track of Greenhouse Gas Emission Reduction Progress and Targets in 167 Cities Worldwide

by Wei, T., Wu, J., and Chen, S. (2021). *Front. Sustain. Cities* 3:696381. doi: 10.3389/frsc.2021.696381

The authors regret the typing errors in the following sections. Corrections are presented:

RESULTS

GHG Emissions From Cities and Their Sectors

(1) On page 3, in the 1st paragraph of section “GHG Emissions From Cities and Their Sectors”, “Asia countries [such as China (Handan, Shanghai, and Suzhou) and Japan (Tokyo)] and EU countries [such as Russia (Moscow) and Turkey (Istanbul)]” should be replaced by “Asian and European countries [such as China (Handan, Shanghai, and Suzhou) and Japan (Tokyo), Russia (Moscow) and Turkey (Istanbul)].”

(2) On page 3, “109 cities in total” and “Nearly half of the 109 cities” in 3rd paragraph of the section “GHG Emissions From Cities and Their Sectors” should be replaced by “108 cities in total” and “Nearly half of the 108 cities,” respectively.

APPENDIX A

(3) On page 13, Table A1, the “Austria” in the column “continent” should be replaced by “Oceania” for 3 cities (Melbourne, Sydney, and Auckland).

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
