## KEYWORDS

food safety, producers' digital capabilities, public policy, health control system, industrial organization

## A Corrigendum on

[Will the development of smart agriculture improve food safety in international markets? A theoretical approach](#)

by Meziani, L., Radjef, M. S., Perito, M. A., and Hammoudi, A. (2024). *Front. Sustain. Food Syst.* 8:1440006. doi: 10.3389/fsufs.2024.1440006

In the published article, there was an error in affiliations 1 and 2.

The affiliation for Lamia Meziani should be:

“1. LaMOS Research Unit, Faculty of Technology, University of Bejaia, Bejaia, Algeria.”

The affiliation for Mohammed Said Radjef should be:

“2. LaMOS Research Unit, Faculty of Exact Sciences, University of Bejaia, Bejaia, Algeria.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
