A Corrigendum on

Evidence in Practice – A Pilot Study Leveraging Companion Animal and Equine Health Data From Primary Care Veterinary Clinics in New Zealand

by Mueller, P., Mueller, U., Gates, M. C., Pearce, T., Ahlstrom, C., O'Neill, D., et al. (2016). *Front. Vet. Sci.* 3:116. doi: 10.3389/fvets.2016.00116

In the original article, the **Conflict of Interest** Statement was incomplete. The corrected statement appears below.

“The Handling Editor AP declared a past co-authorship with the author PM and states that the process nevertheless met the standards of a fair and objective review.

The remaining authors declare that the research was conducted in the absence of any commercial or financial relationships that could be construed as a potential conflict of interest.”

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way.
