KEYWORDS

Betaarterivirus suid 2, molecular epidemiology, phylogenetic analysis, ORF5, vaccine virus

A corrigendum on

Genetic diversity of imported PRRSV-2 strains, 2005–2020, Hungary

by Jakab, S., Kaszab, E., Marton, S., Bányai, K., Bálint, Á., Nemes, I., and Szabó, I. (2022). *Front. Vet. Sci.* 9:986850. doi: 10.3389/fvets.2022.986850

In the published article, there was an error in affiliation [3]. Instead of “Department of Pharmacology and Toxicology, University of Veterinary Medical Research, Budapest, Hungary”, it should be “Department of Pharmacology and Toxicology, University of Veterinary Medicine, Budapest, Hungary”.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
