A corrigendum on

Fecal and vaginal microbiota of vaccinated and non-vaccinated pregnant elk challenged with *Brucella abortus*

by Tibbs-Cortes, B. W., Rahic-Seggerman, F. M., Schmitz-Esser, S., Boggiatto, P. M., Olsen, S., and Putz, E. J. (2024). *Front. Vet. Sci.* 11:1334858. doi: 10.3389/fvets.2024.1334858

In the published article, the acknowledgements section was mistakenly not included in the publication. The missing section appears below:

Acknowledgments

The authors are deeply grateful to Lilia Walther for her expert sample preparation and collection, DNA extraction, and high containment assistance and management. We would like to thank the Animal Resources Unit at the NADC, especially Dr. Rebecca Cox, Caitlin Ehrlich, Jonathan Gardner, Jacob Fritz, Emma Hay, Emma Pratt, Kolby Stallman, Derek Vermeer, and Tiffany Williams for their expertise in animal husbandry, handling, and care. We would also like to thank Dr. Curtis Youngs for his assistance and expertise in sample collection and handling.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.

Publisher's note
