In the published article, there was an error in the Funding statement. The authors incorrectly declared that no funding was received and no grant number was included. The correct Funding statement appears below.

FUNDING

The author(s) declare that financial support was received for the research, authorship, and/or publication of this article. This study was supported by a grant (R21AI152076) from the National Institutes of Health to JJM.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
